INTRODUCTORY

Energy Boost Facial * R 325

Promotes healthy skin (30min)

A 30-minute mini-introductory SOFT LASER® facial, including skin analysis, that will introduce you to the highly effective Placēcol Signature Facials.

* No facial add-ons available.

FOR AGEING

Nature's Refining Facial R 660

Refines skin texture (60min)

A powerful treatment combining Microdermabrasion and SOFT LASER® technology to renew the skin surface and improve collagen synthesis, whilst reducing the appearance of fine lines, scars and sun-damaged skin to reveal a healthy, radiant glow.

*This treatment is not recommended for hyper-sensitive skin.

Illuminé Reviving Facial R 735

Firms and lifts mature skin (60min)

Radio Frequency (CEYA or LAVA) technology eliminates fine lines and wrinkles in conjunction with the Illuminé specialised skin care treatment range.

FOR DEHYDRATION

Hydro Cocoa Facial R 525

Restores moisture levels (60min)

An intense moisturising treatment that combines SOFT LASER® with a Rejuvenating Cocoa Mask to provide long-lasting hydration, restoring moisture and suppleness to dry, sensitive and dehydrated skin.

FOR SENSITIVITY

Calming Chamomile Facial R 470

Restores sensitive skin (60min)

An ultra-calming treatment that combines SOFT LASER® technology with powerful anti-oxidants to calm and restore dry, damaged and sensitive skin.

FOR PIGMENTATION

Vitamin C Glow Facial R 755

Illuminates skin (60min)

An intensive treatment combining Microdermabrasion with Radio Frequency (CEYA or LAVA) technology to aid in reducing pigmentation and skin discoloration, improving skin radiance and brightening the complexion.

FOR PROBLEM SKIN

Cleansing Clay Facial R 535

Maintains clear skin (60min)

An intense purifying treatment that combines deep cleansing with SOFT LASER® technology to treat breakouts, blemishes and reveal a clean and clear complexion.
